v.

ALEJANDRO AGUIRRE

§  
§  
§  
§  
§

CASE NO: 5:25-CR-027-H-BV-1

**REPORT AND RECOMMENDATION ON PLEA OF GUILTY  
BEFORE UNITED STATES MAGISTRATE JUDGE**

The defendant, by consent and under the authority of *United States v. Dees*, 125 F.3d 261 (5th Cir. 1997), appeared with counsel for the purpose of entering a guilty plea under Federal Rule of Criminal Procedure 11. This Report and Recommendation is submitted to the United States District Judge under 28 U.S.C. § 636(b)(3).

**A. Recommendation regarding Guilty Plea**

The defendant was placed under oath and examined in open court concerning the subjects of Rule 11 of the Federal Rules of Criminal Procedure. The defendant was advised regarding each subject and affirmed his/her understanding of each subject. Pursuant to a written plea agreement with the government, the defendant pled guilty to Count One of the Information, charging a violation of 18 U.S.C. § 2251(a)—Production of Child Pornography.

After examining the defendant under oath, I find that:

1. The defendant, upon advice of counsel, consented orally and in writing to enter this guilty plea before a magistrate judge, subject to final approval and sentencing by the presiding district judge;

2. The defendant fully understands the nature of the charges, including each essential element of the offense(s) charged, and the associated penalties;
3. The defendant fully understands the terms of the plea agreement and plea agreement supplement;
4. The defendant understands all his/her constitutional and statutory rights and wishes to waive these rights, including the right to a trial by jury and the right to appear before a United States district judge;
5. The defendant's plea is made freely and voluntarily;
6. The defendant is competent to enter this plea of guilty;
7. There is a factual basis to support this plea; and
8. The ends of justice are served by acceptance of the defendant's plea of guilty.

Based on these findings, I recommend that the defendant's guilty plea be accepted, that the defendant be adjudged guilty, and that sentence be imposed accordingly.

**B. Recommendation regarding 18 U.S.C. § 3143(a)(2)—release or detention of a defendant pending sentence.**

The defendant, with advice of counsel, agreed that he is subject to mandatory detention under 18 U.S.C. § 3143(a)(2), because the offense to which he is pled guilty is a “crime of violence.” *See* 18 U.S.C. § 3142 (f)(1)(A). He self-surrendered at the time of his guilty plea and has been ordered detained pending trial.

The United States District Judge has the power to review my actions and possesses final decision-making authority in this proceeding. Typically, the defendant would be required to make any objections to these findings or any other action of the undersigned within fourteen (14) days of today, but the defendant, with advice of counsel, signed a

knowing and voluntary waiver of the 14-day objection period, and I recommend that his waiver be accepted and he be adjudged guilty of the offense.

Signed on March 10, 2025.
